Journal of Applied Agricultural Science and Technology (JAAST)

Journal of Applied Agricultural Science and Technology (JAAST) is an international journal, focuses on applied agricultural science and applied agricultural technology in particular: agricultural mechanization, food sciences, food technology, agricultural information technology, agricultural economics, agricultural statistics, bioinformatics, farm structure, farm power, agricultural machinery, irrigation and drainage, land and water resources engineering, renewable energy, environment, crop production, and crop protection.

JAAST has been **ACCREDITED** by the Ministry of Research, Technology and Higher Education (RistekDikti) of The Republic of Indonesia as an achievement for the peer-reviewed journal. The recognition published in Director Decree No. **10/E/KPT/2019** April 4, 2019, effective from Vol 1 No 1 2017.

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge. The journal can be accessed at www.kinfopolitani.com

Benefits of open access for the author, include:

- Free access for all users worldwide
- Increased visibility and readership
- Rapid publication

The works/articles in the Journal of Applied Agricultural Science and Technology are bound to Creative Commons Attribution License (CC BY-SA 4.0)

Journal of Applied Agricultural Science and Technology, with registered number ISSN: 2621-2528 (online), ISSN: 2621-4709 (print) has been indexed on:

The journal has been listed in:

EDITORIAL TEAM

Editor in Chief

Dr. Edi Syafri, ST, M.Si. Scopus ID: 57196348984
